

Summer 2017 Reading List
Incoming 6th Grade Students @ SCAPA

At SCAPA, we require that the incoming 6th grade students read a total of two books over the summer. Students are to choose one book from each list (fiction and non-fiction). Within two weeks upon returning to school in the fall, 6th grade students will be required to take AR tests on each of these books which will count toward a grade. In addition, students will prepare a project and/or writing assignment on each of the books they read over the summer.

The books listed below may be located at the SCAPA library, the public libraries, and at local or on-line book stores. These books were chosen because of their relationship to core content and reflect a variety of genres, time periods, and themes. *If you are concerned with the content of any of these books, please preview the book before your child reads it.*

We have listed the Lexile Reading Level, AR Book Level, and AR point values next to each title. In addition, texts are arranged from lowest to highest Lexile Level (i.e. difficulty). This should help you assist your child in choosing the most appropriate books for his/her current reading level. If you have any questions about the list, please email Rebekah Reeves (rebekah.reeves@fayette.kyschools.us) or Karen Espaniola (karen.espaniola@fayette.kyschools.us).
